Lot no.	Description (shortly)	Maximum bid €

All written bids should be made in Euro. The buyer shall pay the hammer price, together with a premium thereon per lot of 21% on the premium plus costs of shipping and handling (+VAT). Your bids will be taken into consideration independently and carefully. If, for example, you bid Euro 150 while the next highest bid is Euro 100 you would obtain the item for Euro 105. In this way there is no risk for you, should you give bids above „Startpreis" (= starting price). International bidders can transfer the money to my bank account.
